

A ZIP CODE SHOULD NOT DETERMINE A CHILD'S FUTURE.

Many variables can shape a child's outcome in life—like the zip code where a child grows up. That's because not all neighborhoods have the same opportunities and resources, such as quality schools, transportation, housing, healthcare, food and jobs. The good news is that there are many ways to improve our communities so that everyone has a fair chance to succeed, regardless of zip code. You can play a vital role in your local community.
